

## HANDLE WITH CARE

### Law Enforcement

When a child is exposed to a traumatic event, a law enforcement officer will contact the designated school personnel who will take the initial information (Handle With Care Notice)

### School District

The designated school personnel in the school district will then ensure notification is provided to appropriate teaching staff and school personnel

### Teaching Staff & School Personnel

- Classroom intervention
- Awareness
- Observation
- Support

Once teaching staff and school personnel complete the above actions and if no additional support is needed, please continue with class/regular activity.

If additional support is needed this notification will be shared with the school counselor or social worker.

School Counselor or Social Worker will complete

- Interventions
- Assessment

If additional support is needed, the school counselor or social worker will refer the student to a Mental Health Therapist.

If there is no additional support needed, the school counselor or social worker will send the student back to class and continue to be aware and support as needed
